- The Offices of the Grand Chapter, TKE's Headquarters, is located in Indianapolis, Indiana.
- TKE has NEVER had a discriminatory racial, ethnic, or religious clause.
- The TKE Educational Foundation provides hundreds of thousands of dollars for educational programming and scholarships, all for our members.
- The Blueprint is TKE's Membership Development Program, designed to assist our members in personal and professional growth through experiential learning.
- TKE has 27 Professional Staff Members and Hundreds of Volunteer Staff Members across the U.S. and Canada who work with undergraduates to improve and grow their chapters.
- TKE believes the essential elements of brotherhood are love, charity, and esteem...thus placing value on personal relationships, diversity, and generosity toward all.
- When recruiting new members, TKE considers men "not for wealth, rank, or honor; but for personal worth and character."
- TKE isn't just an undergraduate fraternity experience, but a lifelong brotherhood.
